

The world's only international English language  
test specifically for healthcare professionals

# The Official OET Preparation Portal

Helping candidates prepare for the test

Wide range of preparation materials  
from the developers of OET, many  
of which are free of charge.

Online access to materials anytime,  
anywhere, so you can prepare at  
your own pace.

Multiple formats, including interactive  
masterclasses, an online course,  
books, live Q&A, and the OET blog.

OET is recognised by major healthcare regulators world-wide, including in the UK, the US, Australia, New Zealand, Ireland, Singapore and Dubai. OET results may also be used for visa purposes in the UK, Australia and New Zealand.

The OET Preparation portal provides  
a large number of resources to  
help candidates prepare for the  
test, including many hours' worth  
of free material.

## Phoebe Kimari – Nurse

"OET enabled me to get my nursing registration and finally acquire a job. I would recommend it to other nursing students since it revolves around nursing, which makes you less nervous during the test."
